defender ability  
pick one of the abilities  
may not be used while wielding a non-proficient weapon  
abilities are detailed on the following page

## defender abilities defined

- ~ combat mastery  
defender may replace str mod with wis mod on dmg rolls  
or when using class abilities
- ~ counter attack  
if foe that char has bonus to AC from dodge feat against misses  
foe must ref save (DC10+1/2 def lvl+dex mod); if fails, defender  
gets normal unarmed strike as AoO  
this ability only works if the char has the dodge feat
- ~ cover ally  
by staying within 5' of ally, suffers all AoO vs ally  
free act; lasts until char next turn or ally is more than 5' away
- ~ debilitating strike  
when char uses stunning attack, may choose to blind or deafen  
instead of stun; lasts # of rds equal to str mod
- ~ defensive mastery  
+1 to all saving throws
- ~ devastating strike  
when char uses stunning attack, may also choose to knock foe  
back 5' for every 5 pts of dmg done
- ~ flurry attack  
reduces penalty for two weapons by 1;  
stacks with ambidexterity, two weapon fighting, etc
- ~ grappling disarm  
when grappling, char may disarm w/ successful grapple check
- ~ hammer throw  
when grappling, char may throw target 15' w/ grapple check;  
target lands prone & takes 1d6 dmg;  
if throws at another creature, must ref save (DC10+dex mod)  
or fall prone too
- ~ improved dodge  
increase dodge feat bonus to +2 OR  
gives +1 vs all threatening foes that rd  
must have dodge feat to use this ability
- ~ incredible resilience  
free act; gives DR = to con mod until next turn;  
stacks with racial/path/class DR but not with spells/magic items  
counts as one use of stunning attack
- ~ masterful shot  
benefits from masterful strike applied to ranged weapons
- ~ rapid strike  
1 extra attack or move during rd; # of times/day = to class lvl
- ~ retaliatory strike  
AoO vs foe strikes ally from threaten area; choose 1 ally per rd
- ~ strike and hold  
if hits foe, may attempt grapple as free act w/out touch attack  
and w/out provoking AoO; size must be = or less
- ~ weapon trap  
attack roll vs foe's attack roll; success = trapped; then can:  
attempt disarm OR do dmg to weapon OR attack foe who has  
lost dex mod to AC; whatever act taken, weapon is then free
